To Whom It May Concern:

The U.S. Department of Education (ED) has determined that the above-referenced individual will not be denied additional Title IV aid due to defaulted student aid debt owed to ED.

The individual's loans held by ED are covered by the Fresh Start initiative announced by ED on April 6, 2022.

Their default status will not stop this individual from receiving aid until one year after the COVID-19 emergency relief (student loan payment pause) ends. Please check StudentAid.gov/coronavirus for more information about when the COVID-19 emergency relief is scheduled to end.

Please note: This reinstatement letter only covers debts held by ED. It does not cover any student loan debts that may be held by commercial lenders, guaranty agencies, or schools. If there are other loans in default held by these other lenders the above-referenced individual may still be unable to get additional Title IV aid.

Should you have any questions, you may contact the Department's Default Resolution Group at 1-800-621-3115 (TTY 1-877-825-9923).
